Change the world with a smile!

We believe that smiles can change lives, so we welcome you with the best solutions to help you regain your dental health and beauty of your smile.

DENT ESTET Clinics mission has always been to transform the vision of innovation into reality.

Therefore, the tradition of more than 18 years in dentistry recommends us as the largest team of specialized doctors in Romania, providing warranty for dental treatments up to lifetime.

Why more than 50.000 patients choose us?

- **Leaders in Romanian dental market for 18 years.**
- **9 premium dental clinics.** We deliver unprecedented patient care and convenience due to our passion and dedication.
- **Expertise.** Our team of more than 200 members has great experience in complex dental treatments and each dentist is specialized in a certain field.
- **Cutting – edge technology.** We believe in using modern technology that allows us to obtain extraordinary results in the dental field. At DENT ESTET Group we use Swiss, American and French dental implants, CAD-CAM tooth scanners, CT Scanner, Digital OPG X-Ray system, Zoom whitening system, LUMINEERS veneers, apex locator, ZEISS microscope, inhalosedation.
- **100% Safety.** The whole dental field in our clinics is sterilized and kept perfectly clean. Every detail is crucial for us, this is why our treatments are 100% successful.
- **DENT ESTET is the first dental clinic ISO certified** and obtained The Germanischer Lloyd Certification GmbH from Hamburg Warranty.
